

Preparing for the ACT Online & Understanding Scores

(right click hyperlinks)

[How Students Can Prepare for the ACT Test](#)

This free webinar from ACT answers the question, "What kind of test prep is right for each student?" Our presenters will share student best practices for preparing for the test and provide a detailed overview of the new and traditional prep products (free and paid) offered by ACT.

This webinar will uncover strategies and materials best fit for each student, based on:

- Subject matter needs
- Cost (including free options)
- Time constraints
- Format (live instruction, videos, books, etc.)

[Boost Confidence with Test Prep](#)

This webinar will feature:

- Test-day strategies that can help students avoid anxiety
- An overview of the tools best fit for students seeking last-minute test prep
- A discussion with a Kaplan teacher for ACT® Rapid Review™ Live
- Q&A time with test prep experts

[Free Practice Test and Study Guide](#)

- Includes a full-length practice test (including writing prompt)
- Get an overview of the ACT test and what to expect on test day
- Access general test-taking strategies
